

RUTH LEE

DO YOU WANT TO WORK WITH A WINNING TEAM?

JOB VACANCY: INDUSTRIAL SEWING MACHINIST

We are market leaders in the manufacture and supply of training manikins and related products for professional lifesavers across the UK and the rest of the world.

We know that countless hours of training go into every life saved, professional lifesavers around the world rely on Ruth Lee Ltd, and the products we manufacture to perfect their skills. Our products really do assist in them being ready when it counts!

When you join Ruth Lee as a sewing machinist, you are joining a team of people dedicated to creating the best products in the world for training professionals who save lives.

Due to continued growth, we will be looking to recruit additional machinists to our team.

Industrial sewing experience is essential, although a 12-week training plan will be provided. You will be part of a team manufacturing our training products. We are proud of our positive and friendly working environment.

This vacancy could be located in Corwen or Glyndyfrdwy in Denbighshire LL21.

Job Types: Full-time, 35.5hrs per week

Salary: £12.21 per hour (Level 1 Machinist)

Bonus from £0.95 per hour

(Level 2 machinist uplift rate additional £0.50 per hour)

Other benefits that working at Ruth Lee include:

- Group life cover
- Employee and family EAP Helpline free of charge
- Annual Flu Jab free of charge
- Annual Eye test free of charge
- Weekly Fresh fruit bowl
- Free tea and coffee
- Free parking
